

# A Message From Our President

*Another school year is fast coming to an end, and that means that our AGM is coming up fast. Mark the date on your calendars... May 30th at East Park Golf Gardens. Make sure you RSVP to Sharon P. and let her know what your meal choice would be. If you're able to take use of some of your last vacation time, why not consider booking the afternoon off to enjoy some of the East Park activities prior to the meeting? Social time starts at 3:30 and the meeting will commence at 4:30pm. See the flyer for details! It will be a chance to meet the new Reps for next year, there will be some special guests and prizes in store... so we hope you will be able to join us.*

*If you're not able to attend the AGM, please remember to drop by the website over the summer months for other news items and upcoming events.*

*Our social committee is working on some plans and we hope to post some of our September events so that you can plan for them.*

*Cathy Chester*

## Committee Updates and Notices

**All of the committee reps will be giving us updates at the Annual General Meeting, however I'd like to highlight two items in particular:**

### **Social Committee:**

We have a bus trip planned for a Day with the Jays coming up. We need to get our reservations confirmed soon, so don't delay if you're interested in going. For more details refer to the flyer that was sent out.

### **Awards of Distinction:**

Wow! We knew all along that we have some amazing members, and it's always nice to see they have been acknowledged. Please join me in sending along big congratulations to the following AAPSP members who were celebrated:
